TO AMEND IIN-D139-799 REV. F AND ICA-D139-799 REV. 5  
REF. FAA STC: SR02138SE

## **1.0 PURPOSE:**

This DSI provides instruction to install Portuguese placards when the D139-799-017 Cargo Floor Protector Kit is installed on Brazilian Registered Aircraft.

## **2.0 CHANGE:**

When the D139-799-017 kit is installed on Brazilian registered aircraft, a D4166-3 Placard (Portuguese) must be installed on the inside of each cargo door instead of the D4166-1 Placard (English). To facilitate this change, customers may procure the DSI 9597-011 Placard Kit from Dart.
